This is UNEVALUATED Information 25X1

1. In April 1954, the construction of a large airfield near Alt Maertinsdorf (53°42' N/20°40' E) started. The project had already been planned for 3 to 4 years. The field was, allegedly, to be equipped with very modern installations. 25X1
2. The airfield was located just southwest of the Ortelsburg (53°34' N/21°00' E)-Allenstein (53°47' N/20°29' E) railroad line, in line with the Alt Maertinsdorf railroad station. On 22 June 1954, the construction site extended about 3 km along the railroad line.

           Comment. The construction of an airfield near Alt Maertinsdorf is reported for the first time. 25X1
